BE SAFE WHILE SHOPPING

To have a safe holiday while you're shopping, remember these tips:

- Know your address and telephone number before you leave home.
- Stay close to your parents. If you become separated from them in a crowded store, go to a store clerk for help.
- Shoplifting is stealing. You can help stop it by telling other kids it's wrong.
- If someone bothers you, **say** "no" and then **go** and **tell** a trusted friend.

BE SAFE AT HOME

- Don't give information to anyone you don't know either over the telephone or at the front door.
- Keep your list of emergency telephone numbers by the telephone.
- Learn how to use the locks on all the doors and windows.
- Always walk and play with a friend.

HOW TO PROTECT YOUR TOYS

- Ask your mom or dad to mark your new gifts with their driver's license or identification number.
- Always put away your toys and sports equipment when you've finished playing with them.
- Be sure to lock up your bike.
- Be sure to let your parents know where you are playing at all times.

BE SAFE AROUND HOLIDAY DECORATIONS

- Don't play with holiday tree lights or electrical connections.
 - Practice getting out of your house in a emergency with your parents.
 - Don't play with matches or candles. Remember, fire can destroy things.
 - Know how to call the fire and police departments. Dial 9-1-1 or 0.
